

Please click here to register for the campsite. We also sell firewood, charcoal, and fire starters.

There are 14 tent sites and 20 daycamp sites. Anyone can use the multipurpose field.

During the winter, you can observe migratory birds such as swans on the two embankment.

MIZUNOMORI CAMPING GROUND MAP

Mizunomori Camping Ground is located about 20 minutes by car from the center of Sendai City, and is a campsite blessed with a lush natural environment. The tent sites are used by everyone from those just starting camping to seasoned campers. At the day camp site, you can hold a BBQ. In addition to a spacious lawn area, the park has a stream flowing from an embankment (reservoir). Additionally, in winter, you can enjoy watching swans and other wild birds resting on the Marutazawa embankment next to the campsite.

If you plan to use a fire pit, please notify the fire department in advance. <https://www.city.sendai.jp/yobo-shido/download/bunyabetsu/bosai/kasai/kaen.html>
